

CORSAIR EX400U 4TB External SSD Storage

Model: CSSD-EX400U4TB

Manufacturer: CORSAIR

EAN: 840440488552

Product Code: 21381

R35,209

The CORSAIR EX400U external hard drive offers performance with its 4 TB solid-state drive capacity, making it suitable for those who require ample storage for their data. With an interface speed of 40 Gbps, this USB-C to USB-C drive allows for rapid file transfers, making it a reliable choice for both personal and professional use. Additionally, it features a portable design, ensuring that users can easily take their important files on-the-go.

Engineered to operate in various environmental conditions, the EX400U can withstand operating temperatures from 0°C to 70°C and storage temperatures ranging from -40°C to 85°C. Its high humidity tolerance of 93% RH under 40°C further enhances its reliability, making it a suitable companion for outdoor activities or during travel. With a solid connection through the 24 pin USB-C connector, this external hard drive emphasizes functionality and efficiency.
