

SANDISK SSD Plus 500GB 2.5inch SATA SSD Internal SSD Read speeds up to 545 MB/s SATA III 6 GB/s

Model: SDSSDA-500G-G28

Manufacturer: SANDISK

EAN: 619659218003

Product Code: 21430

R2,847

The SanDisk Plus 500 GB internal hard drive is designed to provide reliable storage in a compact 2.5" form factor. With a data transfer rate of 600 MBps and an internal data rate of 545 MBps for reading and 505 MBps for writing, this solid state drive ensures quick access to your files and applications. Operating effectively between 0°C and 70°C, it adapts to various environments, making it suitable for both personal and professional use.

Built with durability in mind, this hard drive boasts an MTBF of 2,000,000 hours, ensuring long-lasting performance. The Serial ATA-600 interface provides secure connectivity for seamless data transfer. Enhance your storage capabilities with the SanDisk Plus, where reliability meets speed.
