

SANDISK SSD Plus 1TB 2.5inch SATA SSD Internal SSD Read speeds up to 545 MB/s SATA III 6 GB/s

Model: SDSSDA-1T00-G28

Manufacturer: SANDISK

EAN: 619659217952

Product Code: 21431

R4,293

The SanDisk Plus 1 TB internal hard drive provides a reliable and high-performance solution for your storage needs. With a compact 2.5" form factor, it easily fits into a variety of devices, ensuring versatility for upgrades or replacements. Offering data transfer rates of up to 600 MBps and internal write speeds of up to 515 MBps, this solid-state drive delivers the speed necessary for efficient file management and software operation.

Designed to withstand a broad range of temperatures, operating effectively from 0°C to 70°C, the SanDisk Plus is durable and resilient, making it ideal for demanding environments. With a mean time between failures (MTBF) of 2,000,000 hours, this drive ensures long-lasting performance and reliability, enabling users to store their important data with confidence.
