NETGEAR Insight PRO 1 year(s)

Model: NPR100PK1-10000S

Manufacturer: NETGEAR

EAN:

Product Code: 216528

R109,478

NETGEAR Insight is a Cloud-based management platform that enables easy setup and configuration of NETGEAR Insight Managed Access Points, Switches and ReadyNAS devices. With the cloud advantage of unified setup and configuration of devices, simplified ongoing maintenance, continuous visibility and control, remote access, constant evolution, scalability and reliability, Insight take the complexity and rigidity out of networking.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.
