

HP LaserJet CP4525dn Colour 1200 x 1200 DPI A4

Model: CC494A

Manufacturer: HP

Product Code: 22751

R23,285 ~~R26,073~~

Print high-impact color documents at high-performance speeds. Protect confidential print jobs with on-board and network security. Efficient paper handling, expansive paper capacity and easy controls keep printing on pace with your growing business.

Top-of-the-line performance for color printing.

- Boost your printing productivity with high-performance speeds up to 42 ppm letter/40 ppm A4 and a first page out in as fast as 9.5 seconds.
- Improve efficiency and simplify printing—automatically adjust settings according to paper type with HP Advanced Auto Media Sensing and operate the printer with ease, using a 4-line color control panel with auto-navigational help.
- Twenty-five years of continuous innovation and reliable, professional-quality printing—HP LaserJet remains the brand businesses count on. Count on HP for award-winning support in laser printers.
- Streamline your workgroup's print jobs. Store a large queue of print jobs with 1 GB of memory and configure optimal settings across your entire printer fleet with HP Web Jetadmin.[5]

Produce superior color documents consistently.

- Make a high-impact statement with top-of-the-line color documents—advanced color features produce professional-quality, color documents with every print job.
- Manage your business's color printing usage and costs, using award-winning HP color access controls.[4]
- Get supplies designed for your high-volume printing environment when you use an optional high-capacity black toner cartridge.[6]
- Expand your media options. Print on a range of media types—including everyday and glossy papers—and a wide variety of sizes—A4, letter, labels, envelopes, transparencies and cardstock.

Protect your data with essential security.

- Minimize security disruptions and send business-critical data more securely, using robust features such as an HP Secure Hard Disk, IPsec with encryption and network access control with 802.1x.[3]
- Expand your security options to the next level, using the Hi-Speed USB 2.0 port. Conveniently connect your security card swipe and HP and third-party authentication devices.
- Easily retrieve stored confidential print jobs, using the control panel.

Minimize your environmental impact.

- Get up to 50 percent energy savings over competitive laser products, using Instant-on Technology.[2]
- Reduce your impact on the environment and use up to 50 percent less paper with two-sided printing.[8]
- Reduce packaging waste with pre-installed toner cartridges—no boxes, wrappers or manuals.
- Minimize your environmental impact by implementing energy-saving settings across your entire fleet with HP Web Jetadmin.

Footnotes:

[1]The xh model features standard 2100-sheet paper capacity. The n and dn models come with standard 600-sheet paper capacity expandable with optional 1x 500 and 3 x 500 paper trays.

[2]Energy savings based on HP testing using the ENERGY STAR(R) program's Typical Energy Consumption (TEC) method on HP LaserJet products with Instant-on Technology vs. top competitive models as of March 2009.

[3]The HP Secure Hard Disk is standard on the xh model and optional for the n and dn models.

[4]Color access control capabilities vary from device to device. Buyer's Lab gave HP color control
