Product Code: 22756

R437 R633

HP offers a broad assortment of power solutions to help you get the most out of your HP Business Notebooks, including new Smart Adapters that are both energy efficient and convenient as they can be leveraged across multiple notebook families. Smart Adapters can enhance your productivity by powering your notebook while plugged in, as well as charging your battery so that you can take your notebook with you when you unplug. HP Smart Adapters also feature integrated surge protection to protect against power fluctuations that can damage your notebook. HP Smart Adapters help you save on equipment, power consumption costs and travel

- Provides a convenient and portable power source for use in a mobile environment.
- Shared across all HP Business Notebooks for a convenient, worry-free experience.
- Energy-efficient power adapters designed to draw minimal power.
- Integrated surge protector to guard against power fluctuations.
