deliver crisp detail and consistent colour.

Increase productivity - share the MFP on a network.

- Connect wirelessly to the MFP and print from virtually anywhere in your office, using 802.11b/g/n wireless3. Boost office efficiency by sharing printing resources using built-in 10/100 Ethernet.

Minimise your environmental impact.

- Conserve energy with Instant-on Technology4 and Instant-on Copy5.

1 Requires an Internet connection to the printer. Services may require registration. Applications availability varies by country and requires a firmware upgrade. For details, www.hp.com/go/ePrintCenter.

2 May require an Internet connection to the printer. Feature works with any Internet and e-mail-capable device and requires a firmware upgrade. For details, www.hp.com/go/ePrintCenter.

3 Built-in wireless is available on the HP LaserJet Pro CM1415fnw Color MFP. Wireless performance is dependent upon physical environment and distance from access point, and may be limited during active VPN connections.

4 Energy savings based on HP testing using the ENERGY STAR® program's Typical Electricity Consumption (TEC) method on HP LaserJet products with Instant-on Technology vs. top competitive models as of March 2009.

5 When compared with fluorescent tubes, Instant-on Copy with LED technology drops energy use by 4 times in idle mode and 1.4 times in copy mode.
