- With Genuine Windows® 7 Professional you gain strong processor capabilities, wireless functionality and a 33,8 cm (13.3") diagonal HD display.

Solid build

- Keep your notebook looking and performing well—bead-blast aluminum display enclosure, a magnesium-reinforced ABS chassis, and a bottom-case drain help protect against everyday wear and tear.

Powerful performance

- Create, edit and share projects without slow load times, freeze-ups or stalls. Streamlined, powerful Intel® processing keeps you working fast and efficiently.

Highly configurable

- Build your PC the way you need it. Choose from various storage options and an optional optical drive. Opt for a point stick for easy navigation along with the touchpad.

Easy charging and docking

- Get charging equipment that works across all your notebooks. Perfect for shared work environments, all HP Business Notebooks can be charged on the HP 90W or the HP 120W Advanced Docking Station —so your business can do more with less.

Power that suits you

- Choose the battery option—from lightweight to long-life—that works best for you.
