HP StoreEver LTO-4 Ultrium 1840 SAS Internal Tape Drive Storage auto loader & library Tape Cartridge

Model: EH860A

Manufacturer: HP

Product Code: 22880

R14,536 ~~R17,820~~

HP StoreEver LTO Ultrium Tape Drives represent six-generations of LTO technology capable of storing up to 6.25 TB per cartridge, with HP TapeAssure for manageability, hardware data encryption, HP StoreOpen with LTFS for ease of use at an unprecedented performance.

With HP TapeAssure customers can be confident that their data is safe by monitoring drive and media utilization, operational performance and life/health information for drive and media.

Data hardware encryption using AES 256-bit provides easy-to-enable security to protect the most sensitive data and prevent unauthorized access of tape cartridges.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.

Linear Tape File System (LTFS) is an open format for storing data on tape that makes LTO-5 and 6 tapes self-describing and file-based.

Capable of data transfer rates up to 400 MB/sec, HP’s exclusive Data Rate Matching further optimizes performance by matching host system speed to keep drives streaming, thus enabling the fastest tape performance.
