Business performer. Stay on top of business demands in the office and on the road with this rugged notebook with a 39,6 cm (15.6") diagonal HD 1 display.

Optimized for Genuine Windows® 7 Professional

- With Genuine Windows® 7 Professional 2, you gain strong processor capabilities, wireless 3 functionality and a 39,6 cm (15.6") diagonal HD 1 display.

Professional performance

- Create documents, spreadsheets and presentations without slow load times, freeze-ups or stalls. This streamlined workhorse helps you complete projects fast and efficiently.

Military-standard durability

- Don't worry about bumps, drops or scuffs. The purposeful design of the HP EliteBooks translates into true business-rugged notebooks.

Graphics options

- Create presentations, display detailed images and produce basic visuals with your choice of graphics options 4.

Easy charging and docking

- Get charging equipment that works across all your notebooks. Perfect for shared work environments, all HP Business Notebooks can be charged on the HP 90W 4 or the HP 120W Advanced Docking Station 4—so your business can do more with less.

Multi-tasking at its finest

- Complete all types of tasks right from your notebook -- from running calculations easily with the numeric keypad and calculator button to reviewing complex files on multiple monitors with Eyefinity
