HP P4300 G2 16TB MDL SAS Starter SAN Solution disk array

Model: BK715A

Manufacturer: HP

Product Code: 22919

R198,269 ~~R242,705~~

Planning for everything from data growth to disaster recovery to centralized backup to future proofing your infrastructure – these are all daunting tasks for any company no matter what the size. When it comes to the storage part of the design, HP LeftHand P4000 Storage is a perfect fit for environments with a variety of virtual servers, client virtualization, database, email, and business applications.

LeftHand P4000 SANs scale capacity and performance linearly to seamlessly grow with your business. The P4000 portfolio has affordable enterprise functionality with a comprehensive feature set and simplified central management for all locations. Superior application availability and disaster recovery features are integrated into the P4000 SANs for automated failover/failback in any situation. P4000 SANs are optimized for virtualized environments with VMware ESX & Microsoft Hyper-V integration and offer continuous data availability to users and applications that meets demand on-the-fly.
