- Share on a network and work from anywhere in the office, using built-in Ethernet and wireless connectivity.
- Create professional-quality documents with bold, crisp text and sharp images, using HP Original print cartridges.
- Send and receive faxes from your PC, using the 33.6 kbps fax.
- Print documents at up to 18 ppm A4. With Instant-on Technology, pages start and finish printing quickly: get a first page out in as fast as 8.5 seconds.

## **Get up and running quickly and easily**

- Plug and print in as fast as five minutes: HP Smart Install makes it easy to start printing from a PC or Netbook – no CD required.
- Set up and start printing fast with an easy-to-use, intuitive control panel. Easily make a one-sided copy of a two-sided identification card with ID Copy.
- Connect the MFP directly to a PC or Netbook via the included Hi-speed USB 2.0 port.
- Ensure reliable printing with an HP all-in-one print cartridge. Easily replace it with HP SureSupply.

## **Reduce your environmental impact and protect your bottom line**

- Get up to 50% energy savings using Instant-on Technology and save up to four times the energy with Instant-on Copy. Save even more with HP Auto-On/Auto-Off Technology which senses your printing activity, turning on and off automatically.
- Reduce waste: a pre-installed cartridge decreases packaging. Recycle easily with HP Planet Partners.
- Get more value and better results with the services, solutions, software and support of HP Total Care.
- Save energy with an ENERGY STAR® qualified MFP.
