

HDD WESTERN DIGITAL Gold 8TB 256 MB 7200 rpm 3,5 WD8005FRYZ

Model: WD8005FRYZ

Manufacturer: WESTERN DIGITAL

EAN: 718037899947

Product Code: 23891

R9,242

Your Data Is Gold

Customize your business's storage mix to fit your specific needs with a full portfolio of enterprise-class WD Gold HDDs in capacities of 1TB to 24TB1

, with OptiNAND™ technology

in 20TB, 22TB and 24TB. These highly reliable solutions for demanding storage environments provide up to 2.5M hours MTBF2

, vibration protection technology, and a low

power draw thanks to HelioSeal®

technology (for 12TB and above). Specifically designed

for use in enterprise-class data centers and storage systems, WD Gold SATA HDDs deliver the world-class performance you expect from Western Digital®

hard drives.

More Flexibility, More Freedom

WD Gold lets you build out your storage your way with a full portfolio of SATA HDDs from 1TB to 24TB1

, engineered for heavy application workloads and designed to handle workloads up to 550TB3 per year.

Enhanced Reliability

With up to 2.5M hours MTBF2

, WD Gold hard drives deliver enhanced levels of dependability and durability.

Vibration Protection

WD Gold drives have sophisticated monitoring electronics that help correct linear and rotational vibrations in real time using enhanced vibration protection technology for improved performance in high-vibration environments.

Plays Well with Others

Specifically designed for use in enterprise-grade storage systems and data centers, WD Gold HDDs are broadly compatible with major enterprise operating systems.

Scale Your Business

WD Gold drives are available in an unsurpassed, industry-leading 24TB1

CMR capacity

utilizing the OptiNAND™ technology's capacity-enabling feature.

Helps Protect Your Data

The innovative ArmorCache™ feature (22TB and 24TB only) provides enterprise power loss protection of your data in write-cache enabled (WCE) mode while increasing performance in write-cache disabled (WCD) mode.

Summary: Western Digital Gold WD8005FRYZ. HDD capacity: 8 TB, HDD speed: 7200 RPM, Storage drive buffer size: 128 MB, HDD size: 3.5", Interface: Serial ATA III, Hybrid-HDD cache memory: 0.256 GB | Vendor Homepage: <https://www.wdc.com> | Component for: Server/workstation | HDD capacity: 8000 | HDD interface transfer rate: 2.6 | HDD size: 3.5 | HDD speed: 7200 | Hybrid-HDD cache memory: 0.256 | Interface: Serial ATA III | Start/stop cycles: 600000 | Storage drive buffer size: 128 | Type: HDD | Operating voltage: 5 / 12 | Power consumption (idle): 5.9 | Power consumption (read): 7.4 | Power consumption (write): 7.4 | Non-operating shock: 300 | Operating shock: 65 | Operating
