Ready for Macs. Works with Windows®.

USB-C™ compatible, the My Passport for Mac portable storage works straight out of the box with Mac devices. To help with reading and writing your drive with Windows® 10+ computers without having to reformat, a downloadable HFS+ driver is provided.

Slim style

Slim and durable design to help make your life on-the-go effortlessly convenient. Robust construction provides you with a reliable companion for your adventures.

Expansive Capacity

Unlock vast storage possibilities with up to 6TB¹ capacity, providing plenty of space to carry your photos, videos, music, and important documents wherever life takes you - helping to keep everything securely within your grasp.

Backup that's simple. Help protect against ransomware

Scheduling backups of your precious files made easier with the included Acronis® True Image™ for Western Digital software². Also help fortify your important applications and protect your computer system against data loss caused by ransomware attacks.

Help safeguard what matters most

Help safeguard your files against unauthorized access at home or away. Use our included software² to add an extra layer of security with password protection and built-in 256-bit AES encryption.

A worry-free warranty

We build our drives using tried and true components and provide a 3-year limited warranty³ for extra peace of mind.

Designed with the Planet in Mind

The enclosure of this drive is composed of more than 50% post-consumer recycled plastic. Packaging is made of over 50% post-consumer recycled pulp and is fully recyclable.
