Model: TS2TESD265C

Manufacturer: TRANSCEND

EAN: 760557864455

Product Code: 23995

R13,417

Transcend's ESD265C is a portable solid-state drive featuring a sturdy metallic case in iron gray, unparalleled USB 10Gbps transfer rates, and a USB Type-C port. But most importantly the ESD265C only weighs a mere 31 grams, making it super portable and convenient.

Lightning-Fast Transfer Speeds

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.

Transcend's ESD265C is designed to transfer 10Gb of data per second, providing transfer speeds of up to 1050MB/s, allowing for better work efficiency.

Slim & Sleek. Lightweight & Portable.

Transcend's ESD265C boasts a lightweight, rugged aluminum casing designed for optimal shock resistance. Weighing in at a mere 31 grams, it offers portability without compromising on durability, and the iron gray color adds a stylish touch.

Astounding Storage Capacity

Transcend's ESD265C provides up to 2TB of storage capacity, allowing you to carry large amounts of files. Whether at the office or on-the-go, you never have to stress about having access to high-resolution photos, 4K videos, and other important files ever again!

Multi-Device Support for Greater Flexibility

Transcend's ESD265C can be used with multiple devices and operating systems, including Windows, macOS, iOS, iPadOS, and Android. It provides ultra-fast transfer speeds and extra-large capacity expansion for PCs, laptops, tablets, smartphones, and even gaming consoles. The incredible versatility makes it a convenient and efficient option for those looking to expand their storage space.

Type-A and Type-C Cables Included

Transcend's ESD265C comes with both a USB Type-C cable and a USB Type-C to Type-A cable to accommodate devices featuring the USB Type-C or USB 3.2 interface.

Extreme Protection, Advanced Security

Transcend's storage devices provide exclusive disk lock and security functions, which work on both Windows and Android systems. With Transcend Elite software, you can protect your entire drive and the files inside with passwords, meeting the high standard of information security. Additionally, our storage devices implement the robust 256-bit Advanced Encryption Standards (AES) that reliably protect data at the hardware level. This encryption process remains independent of any operating system or program, enhancing security and making it hard to decipher.

Summary: Transcend ESD265C. SSD capacity: 2 TB. USB connector: USB Type-C, USB version: 3.2 Gen 2 (3.1 Gen 2). Read speed: 1050 MB/s, Write speed: 950 MB/s. Data transfer rate: 10 Gbit/s. Password protection. Product colour: Grey | Vendor Homepage: <https://us.transcend->
