R2,353

Perfect for high-quality TV recording

The portable 2,5" hard drive Memory Play records your favourite tv shows and movies and can be turned into your personal movie library with up to 2 TB capacity. Thanks to its perfectly adjusted controller it can easily be attached to every television and satellite receiver that is equipped with a PVR function. Using the 60 cm USB cable the Memory Play can be placed directly next to the TV. If the hard drive is not supposed to be seen it can be attached to the backside of the TV using the supplied wall mounting fixture.
