R1,940

Play at a high level and anticipate your enemy’s next move with the crystal-clear sound of the PDP Gaming LVL50 Wired Stereo Gaming Headset for PlayStation 4. Get the enhanced gaming quality you deserve with unbeatable comfort and balanced sound.

Stay at the top of your game and communicate clearly with your team through the flexible, noise-cancelling mic on the PDP Gaming LVL50 Wired Stereo Gaming Headset. Make volume adjustments on the fly with convenient on-ear audio controls, plus a flip-to-mute mic feature. Plug the headset directly into the DualShock 4 Controller for a simple, hassle-free set-up. Enjoy dynamic sound through a pair of powerful 50mm High-Definition drivers. With breathable nylon-mesh over-the-ear cushions and an adjustable lightweight headband, this headset keeps you comfortable during long gaming sessions so you can focus on leading your team to victory!
