The WH64 is a wireless headset for business communication. It integrates DECT and Bluetooth modes, offering
efficiency and flexibility.
Its advanced acoustic shield technology 2.0 filters out background noise for clear sound transmission. The busylight signals your call status to avoid interruptions. Ergonomically designed for an all-day comfortable wearing
experience. With high-quality materials and a lightweight build, it provides a solid experience. It connects seamlessly with IP phones and UC platforms for plug-and-play and device switching. Ideal for clear conversations
and smooth office experiences.
