R1,409

Empower Third-Party Phones

The advanced Yealink Headset Adapter EHS60 provides a technical interface between your Yealink DECT Headset and a compatible desk phone (Cisco/Avaya/Poly/Grandstream).

The unit is easy to install. Its plug-and-play effectively allows you to remotely control your phone calls, including answering, rejecting, holding, muting, hanging up, switching between multiple calls, and adjusting the volume. It has been specially designed to ensure maximum productivity in business applications such as receptions and call centers and is an ideal choice for the Corporate, Financial, Healthy, Governmental, Educational, Industrial, and SME/SoHo market sectors.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.
