Manufacturer: YEALINK

EAN: 6938818308299

Product Code: 259387

R2,794

Deliver HD Voice with Yealink Acoustic Shield

With Yealink Acoustic Shield technology, the DECT headsets could well filter out background noise by 2x microphones while you are on a call,which provides a HD voice quality for your listeners, and ensures distraction-free conversation.

Match Your Platform

Designed with full compatibility, WH62 perfectly matches your UC platform and device, delivering a consistent call experience, better communication quality, and lower IT costs. It also supports dual device connection, connecting your PC and desk phone simultaneously. Further, certified for Microsoft Teams, it comes with a dedicated Teams button for activating Microsoft Teams with one touch.

Power Your Third-Party Phone

The bundle of Yealink WH62/63 & EHS60/EHS61 is seamlessly com-patible with your third-party phones of Cisco, Avaya, Poly, Mitel, Unify, Grandstream, and Fanvil. Features like answer/reject/adjust thevolume are all supported with hands-free operation, boosting the daily productivity.

Make the WH6X More Flexible

Reuse the WH6X wireless office headset, and a Portable Accessary Kit to make the DECT headset portable. Only one DECT headset meets all your workrequirement, which is suitable for every workplace, simple and flexible.

Stay Focus and Enhance Productivity

Providing a visual cue and indicator that help to reduce distractions and eliminate interruptions, which promises your ideal productivity.

Intelligent Mute Zone

When raising the Mic-Boom to within 30 degrees, the business headsets will automatically activate mute function, ensuring that you can easily switch to a private conversation.

Ensure Your Communication with Comfort

To meet various preferences of users, Yealink created the lightweight designed professional headset with adjustable headband, replaceable ear cushions, and two wearing styles, namely mono and dual options to ensure all-day comfort.

Wireless Freedom & All Day Power

No matter when and where your conversation begins, the office headsets can always catch up your steps. With up to 160m wireless range and 14 hours talk time, it is suitable for users' daily communication needs. In addition, the product supports high density installation in the open office, which allows up to 200 users (Europe) enjoy the wireless communication at the same time.
