making it an ideal choice for modern business needs.

AI-DRIVEN EFFICIENCY

Your Productivity Partner in Every Space

The ThinkCentre Neo 55q Gen 6 tiny is equipped with AI capabilities to streamline your daily tasks. Its smart features include document automation for scanning and summarizing, as well as efficient email management and scheduling. Built with advanced security and swift responsiveness, this PC ensures fast multitasking and amplified productivity.

SECURITY YOU CAN COUNT ON

Your Data, Protected at Every Level

Empower your business with ThinkShield’s hardware and software security solutions. Discrete Trusted Platform Module (dTPM) offers data encryption while the AMD Pluton solution enhances data integrity. Plus, ThinkCentre Customization provides end-to-end protection and remote manageability, safeguarding your data and ensuring secure accessibility.

CREDIBILITY & COLLABORATION

Sustainability

Our goal is to provide smarter technology that builds a brighter, more sustainable future for our customers, communities, and the planet. That's why we pursue industry leading labels and certifications that demonstrate our commitment to sustainability in product design. Together, we can build a smarter future for all.

Specifications may vary depending upon region / model.
