For strength and durability, we use quality materials that are at the heart of our carpet design. Superior quality polyester and stitched edges help to meet all conditions of use. In addition, the high temperature glue used allows machine washing. The high-quality polyester we use makes it possible to design a gliding surface with a tight mesh to maximize the fluidity of the movements. However we do not apply any special treatment to the gliding surface, which allows to keep an excellent control of your mouse Dimensions: 450 x 400 x 3 mm Manufacturer: Millenium | Dimensions (mm): 450 x 400 | Thickness (mm): 3 | Material: Polyester | Color: Black
