R1,140

The Lenovo Yoga Pro Mouse is a stylish mouse in keeping with the Yoga series design, engineered to maximise human performance by giving you more control and eliminating distractions. Expect a masterfully sculpted right-handed form, programmable side buttons and a top button, a dynamic wheel that matches your speed and an enduring battery life of up to 3 months when charged via USB-C.

Enjoy lasting comfort

Sublime design meets human-centered engineering with our Yoga Pro Mouse. Its perfect symmetry and thumb rest placement deliver an experience tuned for comfort and balance.

Master your potential

Our Yoga Pro Mouse invites fluidity and dynamic performance into your workflow. With programmable buttons and a responsive scroll wheel, it delivers true adaptability in all scenarios.

Embrace uninterrupted flow

Our blue optical sensor enables precision on almost any surface, promoting enduring focus. Plus, you can harness the energy of a long-lasting rechargeable battery and dual-device Bluetooth® 5.1 pairing for seamless transitions.
