Safeguard your data, ideas, & business

Every ThinkCentre has the added protection of ThinkShield—Lenovo’s comprehensive, end-to-end security solution, combining industry-leading hardware, software, and services. The ThinkCentre M70q Gen 3 Tiny also has customizable security features, including BIOS-based Smart USB Protection, a secure hardware-based crypto-processor, and a cable lock slot to help thwart theft.

Easy to deploy, upgrade, & manage

A breeze to set up and run, this desktop PC has built-in drivers to support various operating systems. As your business needs grow, the storage and memory can be expanded easily without using a screwdriver. It also has a host of ports and connectivity options, enabling you to connect all manner of devices, from industry-specific equipment to legacy peripherals.

Totally versatile, totally practical

With its sleek form, the ThinkCentre M70q Gen 3 Tiny is ideal for any modern workspace, whether it's in an office, healthcare, or retail environment. It can also live anywhere—on a desk or ThinkCentre Vertical Stand, up on a wall, or bundled with a Tiny-in-One (TIO). You can also connect up to four monitors and turn on the PC with a simple keyboard shortcut.

Durability & reliability you can trust

The ThinkCentre M70q Gen 3 Tiny is tested against the US Department of Defense's MIL-STD 810H standards, including more than 200 quality checks to ensure it can run in extreme conditions. This includes harsh environments like the Arctic wilderness and desert dust storms, plus stringent tests for temperature, pressure, humidity, vibration, and more.

Sustainable engineering at its best

The ThinkCentre M70q Gen 3 Tiny meets various global standards for energy-efficiency, health & safety, and sustainability. This includes ENERGY STAR® 8.0, EPEAT® Gold, and is low-noise certified by TÜV Rheinland. It also has the option of a ThinkCentre Tiny Dust Shield, an easy to remove, wash, and replace nylon mesh sheet to stop dust and dirt from getting inside your PC.
