Lenovo ThinkCentre M70q Gen 6 Intel Core Ultra 5 225T 32 GB DDR5-SDRAM 1 TB SSD Windows 11 Pro Mini PC Black

Model: 13A4002PMX

Manufacturer: LENOVO

Product Code: 287932

R23,275

ENSURED PRODUCTIVITY FOR PROFESSIONALS

AI-Assisted Performance

Supercharge your workflow with the ThinkCentre M70q Gen 6 Tiny PC. Powered by Intel® Core™ Ultra processors, it features Intel vPro® for security and IT manageability. Lenovo AI Now drives AI acceleration, while the AI Turbo Engine allocates workloads between CPU, GPU, and NPU for peak performance. Plus, WiFi 7 ensures blazing-fast connectivity.

BIG POWER & FLEXIBILITY

Multitask Like a Pro

Enjoy unmatched productivity with faster USB speeds and multiple ports. Connect the ThinkCentre M70q Tiny PC to up to four displays to power through tasks with vast memory and expandable storage. With an optional USB-C® (Thunderbolt™ 4) port and Neural Processing Unit (NPU), enhance hybrid and digital workplace expansion for a broadened ecosystem.

ALL-AROUND SAFETY IN PLACE

Robust Security & Manageability

This secured-core PC (L3) features ThinkShield security, encompassing hardware and software solutions. Get additional safeguards with a self-healing BIOS, dTPM chip, Kensington Security Slot™, and Smart USB Protection. Choose Intel vPro® security for advanced threat protection while securing your data and business with ThinkCentre Customization.

DURABILITY YOU CAN RELY ON

Intentional Engineering to Boost Efficiency

This PC uses the US Department of Defense MIL-STD-810H for a balance of reliability and durability. With TüV anti-dust, low surface, and shock-resistance certifications, it stands strong in tough environments, while ensuring safety through IEC Electrical Safety and Electromagnetic certifications, offering first-class manageability for any workspace.

CREDIBILITY & COLLABORATION

Sustainability

Our goal is to provide smarter technology that builds a brighter, more sustainable future for our customers, communities, and the planet. That's why we pursue industry leading labels and certifications that demonstrate our commitment to sustainability in product design. Together, we can build a smarter future for all.

Specifications may vary depending upon region / model.
