REDEFINE AI WORKFLOWS WITH BLAZING PRECISION

IT Manageability With AI-Driven Performance

Powered by Intel® Core™ Ultra processors, the ThinkCentre M90q Gen 6 Tiny PC features an integrated NPU along with Intel vPro® for security and IT manageability. Lenovo AI Now drives AI acceleration, while the AI Turbo Engine optimizes performance by allocating X Processing Unit (XPU) workloads. Plus, up to optional WiFi 7 ensures blazing-fast connectivity.

COMPACT POWER, INFINITE POTENTIAL

Customizable Productivity

Enjoy unmatched productivity with faster USB speeds, connect to up to four displays, and power through tasks with vast memory and expandable storage. With multiple ports and an optional USB-C® (Thunderbolt™ 4) port, expand possibilities further. Bundle the ThinkCentre M90q Gen 6 Tiny PC with Tiny-in-One (TIO) monitor for smarter, cost-effective upgrades.

A SUITE OF ADVANCED PROTECTIONS

No-Compromise Security

This secured-core PC (L3) features ThinkShield security, encompassing hardware and software solutions. Get additional safeguards with self-healing BIOS, dTPM chip, a Kensington Security Slot™, and Smart USB Protection. Choose Intel vPro® security for advanced threat protection, while securing your data and business with ThinkCentre Customization.

PEAK PERFORMANCE IN THE TOUGHEST CONDITIONS

Safe, Durable & Efficient 24/7

This PC uses the US Department of Defense MIL-STD-810H for a balance of reliability and durability. With TÜV anti-dust, low surface, and shock-resistance certifications, it stands strong in tough environments, while ensuring safety through IEC Electrical Safety and Electromagnetic certifications, offering first-class manageability for any workspace.

CREDIBILITY & COLLABORATION

Sustainability

Our goal is to provide smarter technology that builds a brighter, more sustainable future for our customers, communities, and the planet. That's why we pursue industry leading labels and certifications that demonstrate our commitment to sustainability in product design. Together, we can build a smarter future for all.
