R1,758

Experience true immersive gaming with the Lenovo Y Gaming Surround Sound Headset. Hear sound coming from multiple directions with its 7.1 virtual surround sound technology (via USB) and feel the clarity of high tones coupled with deep bass through its 40 mm neodymium magnet drivers. This best-in-class gaming headset features a detachable noise-cancelling microphone along with a quick-access mute and volume control box to provide a crisp and clear VoIP experience. It also sports an additional 3.5 mm audio interface, designed to work best with Android 5.0 devices and later, for when on the go. The Lenovo Y Gaming Surround Sound Headset comes with an extensive software application that allows you to easily customise your in-game audio experience. Best-in-class 7.1 Virtual Surround Sound via USB 40 mm Neodymium drivers Detachable noise-cancelling microphone Mute & volume quick-access control box Length and swivel-adjustable, soft-padded ear cups 3.5 mm audio interface for Android 5.0 device and later Customisable breathing LED lights
