Gamer-Grade Audio Without The Price

The Legion H300 Stereo Gaming Headset was designed to satisfy the pro gamer without compromising on quality. Enjoy a rich listening experience, ergonomic construction, and ear cup design, and thoughtful usability features all around, in a stylish companion to your favorite gaming and media sessions.

Ultimate Comfort and Usability

Game for hours without strain, thanks to the soft and perfectly fitting rotatable PU leather ear cups. Control volume in-line, and fully retract the noise-canceling mic after you're done.

Stylish Design, Built to Last

Comfortable, lightweight and built to last, the H300 features a unique suspension headband, sturdy and stylish all-metal frame, and the distinctive aesthetic of the Legion gaming family.

Top Audio Performance

Don't miss a single footstep or note! With powerful sound immersion, 50 mm audio drivers and plug-and-play noise canceling, the H300 delivers the sound quality of a premium headset.
