Designed to provide a truly wireless audio experience like no other, the Legion H600 sports a premium 2.4 GHz lossless wireless receiver, tournament-grade audio, wired and magnetic contact charging, and a 3.5 mm jack for hassle-free multi-platform support. Its most defining feature is the ability to wirelessly charge when hung from the new Legion S600 Gaming Station so that you don’t have to clutter your desk or remember to plug in the charging cable.
