Our passion

We believe data and connectivity are crucial for business success. Our solutions ensure they're available when and where you and your customers need them. It's how we provide Certainty in a Connected World.

Who we are

The American Power Conversion™ Corporation was started in a garage in 1981. Through years of innovation, we've grown to be a flagship brand of Schneider Electric™, and the industry leader in physical infrastructure and software solutions.

Why APC?

Any vendor can simply sell you products. With us, you get comprehensive tools and resources, a
