R3,005

The ThinkPad 10 Folio Keyboard is a folio-type case with an integrated keyboard that provides convenient, stylish functionality and production. The case converts into a stand, providing a laptop mode when using the integrated keyboard. A built-in track pad provides a tactile way for users to manage and use legacy office programs. A high-quality, rigid material with a microfibre lining protects both the front and back of the tablet. (Does not work with Smart Card reader models) Full keyboard with mechanical keys Built-in touch pad Pen loop to store 9.5 mm Active Pen Instant connection through mechanical Pogo pin attachment (electrical connection inside: USB 2.0) Multi-mode: laptop mode, tablet mode
