is designed for life. Testing of Targus materials including the JIS Z 2801 standard at independent laboratories has demonstrated 99.9% reduction of Staphylococcus aureus (Staph Infection) and Escherichia coli (E. coli). BPR and EPA compliant, silver antimicrobial agents have been infused into Targus DefenseGuard products for all-around protection, neutralising bacterial threats to your product for its lifetime.

Comfortably Create

With its split, ergo design it supports a natural wrist position rather than forcing hands and wrist to straighten.

Small and Mighty

Unfold this lightweight, pocket-sized keyboard, powered by a rechargeable battery with 36 hour battery life, you are good to go for hours at a time.

Universal Compatibility

With reliable Bluetooth 5.1 connection, pair and store your iOS, Android or Windows smartphone, tablet or laptop, seamlessly toggling between devices using the QWE keys.
