Desktop-Caliber Gaming Happens with Intel®

Take a revolutionary leap into real-world hybrid performance with 12th Gen Intel® Core™ processors. Combining revolutionary performance and efficiency cores, they enable seamless streaming, editing, gaming and recording, delivering performance where you need it most. Intel® Thread Director keeps your gaming free from interruptions or throttling while Intel® Turbo Boost Technology boosts your framerates during peak loads, meaning background tasks won't slow you down, while Intel® WiFi 6 gives you a lag-free VIP lane for internet traffic.

Beyond Fast

NVIDIA® GeForce RTX™ 40 Series Laptop GPUs power the world's fastest laptops for gamers and creators. Built for the era of AI, they deliver a quantum leap in performance with AI-powered DLSS 3 and enable lifelike virtual worlds with full ray tracing. Plus, the Max-Q suite of technologies optimizes system performance, power, battery life, and acoustics for peak efficiency.

Gaming at Your Coolest

In the world of gaming PCs, thermal design is a make-or-break factor. That's why Lenovo LOQ never compromises. Introducing our revolutionary hyper chamber thermal design, where dual fans spinning in opposite directions pressurized the chamber in the center of the laptop, keeping chips and keyboard cool, while giving you extra power. Compared to previous gen LOQ this reduces some

surfaces temperatures by up to 2°C, and reducing noise by up to 2dB – for the gamers who demand the best. Whether you're in the midst of an epic gaming session or enjoying the quiet zone of the library, the Lenovo LOQ 15IAX9 lets you play the most intensive games without a hitch.

Effortless Gaming Control

Simplify your gaming and study experience with Lenovo AI Engine+, fueled by the LA1 AI chip. Activate Balance Mode in Lenovo Vantage and let the AI intelligence step in, adapting settings on the fly. Say goodbye to the hassle of manual adjustments when juggling CPU-intensive schoolwork and GPU-demanding games. With the Lenovo LOQ 15IAX9, you'll enjoy peak performance effortlessly thanks to its AI smarts.

Slimmer, Sleeker, Stronger

With its Luna Grey finish, the Lenovo LOQ 15IAX9 gaming laptop boats a simplicity-driven design for a minimalist aesthetic. Now 4% slimmer than the previous generation, it offers enhanced portability for on-the-go use. The intuitive power button light indicates fan modes while a 720p or 1080p camera with an e-privacy shutter ensures your privacy. With strategically placed ports and durability that meets MIL-STD-810H standards, it's perfect for gaming, schoolwork, or streaming — wherever life takes you.

Gaming in Vivid Detail

Immerse yourself in rich visuals on the 15.6" display, with its 16:9 aspect ratio and 3-side narrow bezels. Savor stunning FHD resolution, fast refresh rates, and high brightness for exceptional clarity. What's more, 100% sRGB coverage enhances colours, while NVIDIA® G-SYNC® eliminates screen tearing and stuttering. Plus. Advanced Optimus switches between integrated and dedicated graphics to optimize performance, reduce latency, and extend battery life for an unparalleled gaming experience.

Immersive 3D Audio
