With up to 13th Gen Intel® Core™ i7 processors, the IdeaPad 3i Gen 7 laptop lets you perform and study at your best. There's also plenty of space for all your digital files, including a dual solid-state and hard-disk drive option, combining storage and speed. And don't worry about your desk getting cluttered thanks to the full function USB-C port for faster data transfer, power delivery, and 4K display connectivity.

Crystal-clear video conferencing

Say goodbye to poor quality videocalls. The IdeaPad 3i Gen 7 laptop has dual array microphones to ensure everyone can be heard loud and clear, while Dolby Audio™ speakers deliver awesome sound. Smart noise-cancelling technology eliminates annoying background noise, so your online classes and get-togethers are silky smooth. Plus, you can turn the 720p HD camera off and on via the webcam privacy shutter.

Designed to be sleek

Exceptionally slim, just 19.9mm / 0.78", the IdeaPad 3i Gen 7 laptop slips easily into any backpack or bag, making it perfect for on-the-go use. It also has an easy-to-carry design, ideal for when moving between meetings or rooms. And with its sleek cover, available in Arctic Grey & Abyss Blue, it looks great wherever you go, too.

View bigger & better

The up to 17.3" FHD display on the IdeaPad 3i Gen 7 PC with wide-angle viewing, ideal for viewing your favorite shows with friends. And with an impressive high Active Area Ratio (AAR), you can see more and do more on your laptop, day in, day out.

Putting you first

Stay mindful and focused with Lenovo Aware, software that provides you with health care solutions to help you make better use of the IdeaPad 3i Gen 7 laptop. And with Lenovo Eye Care, you can reduce the amount of blue light emitted from the display, minimizing the risk of eye strain.
