

Samsung MZQL23T8HCLS-00A07 internal solid state drive 3.84 TB 2.5" PCI Express 4.0 NVMe V-NAND TLC

Model: MZQL23T8HCLS-00A07

Manufacturer: SAMSUNG

Product Code: 332548

R56,870 ~~R67,451~~

PCIe®4.0 speed for powerful data centers

The new generation of performance. PCIe® 4.0 SSD reaches soaring speeds and handles extreme traffic for smooth data center operations.

The new height of dynamic speed

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.

Random write speeds up to 200,000 IOPS and sequential read speeds up to 6,900 MB/s are appropriate
for the leading data centers that require fast performance for data processing.

Hardware Automation

Instant data processing optimizes repeatable and complex routines for more efficient operations

Various platform efficiencies and scalable design capability

Engineered to suit a data centers. The PM9A3 is available in E1.S, U.2 and M.2 form factors with improved power efficiency and convenient error handling. Choose the high-performance model that fits.
