Clarity and Comfort

With its narrow bezel design available in 14" or 15.6" screens, Aspire Go offers visually crisp WUXGA1 resolution in a 16:10 aspect ratio1. Acer BlueLightShield™ technology, keeps your eyes comfortable during extended use.

Speed and Storage

Equipped with an Intel® Core™ i3 N-Series processor1, 16 GB LPDDR5 RAM1, and a lightning-fast 1 TB M.2 PCIe Gen3 SSD1, this laptop ensures smooth multitasking and responsive performance. Plus, enjoy extended productivity with exceptional battery life.

User-Friendly by Design

Windows 11 Home powers a user-friendly experience, AI-enhanced by Copilot in Windows2—easily accessible via the Copilot key1—while Acer TNR solution and Acer PurifiedVoice™ enhance your video calling experience.

The Connectivity

Effortlessly connect or charge your devices through the full-function USB Type-C port—while Wi-Fi 6 and HDMI 2.1 enhance your digital experiences to be faster, smoother, and more enjoyable.

Unlock More with AcerSense™

Your device health and battery life are in good hands with AcerSense™, which also optimizes storage space, monitors your apps, and much more. It's a versatile tool for a smoother, more user-friendly experience.

Kinder to the Planet

Packaged in 100% recyclable materials3 and featuring a back cover made from 30% recycled plastic, Aspire Go holds both Energy Star certification and EPEAT Silver4 registration, empowering you to make a more responsible choice.
