SSD SANDISK Red SA500 POWERED BY SANDISK 4000 GB Serial ATA III Write speed 520 MB/s Read speed 560 MB/s 2.5 2500xTBW rating WDS400T2R0A

Model: WDS400T2R0A

Manufacturer: SANDISK

EAN: 718037903620

Product Code: 332992

R22,249

The Power of Red Comes to SSD

Boost your SSD NAS system’s performance and responsiveness with the WD Red™ SA500 NAS SATA

SSD. Your NAS system is always on, making a reliable drive essential. Unlike standard NAS SSDs, WD Red NAS SATA SSDs are specifically designed and tested for 24/7 usage.

Supercharge your NAS

Durability together with efficient caching of big files make the WD Red™ SA500 NAS SATA SSD ideal for OLTP databases, multi-user environments, photo rendering, 4K and 8K video editing and other demanding applications.

Access big files fast

WD Red™ SA500 500 GB SSD 2.5 inch SSD storage is optimized for caching in NAS systems to rapidly access your most frequently used content.

Give it your tough workloads

WD Red™ SSD’s superior endurance can handle the heavy read and write loads demanded by NAS, giving you the reliability you need in a 24/7 environment.

Work more efficiently

Purpose-built for NAS with proven Western Digital® 3D NAND, the WD Red™ NAS Solid State Drive delivers maximum SATA performance to boost your productivity and effectiveness at home or in the office.

Use it for your demanding applications

The drive reduces latency and improves responsiveness for OLTP databases, multi-user environments, photo rendering, 4K and 8K video editing, and more.

Build with flexibility

Customize your NAS to meet your most demanding storage needs with capacities ranging from 500GB up to 4TB1.

- Superior endurance for 24x7 environments
- Purpose-built for NAS with proven Western Digital 3D NAND
- Reduced latency, improved responsiveness for demanding applications
- 2.5” and M.2 form factors fit modern NAS slots
