Acer NITRO XZ0 XZ320QU S3 computer monitor 80 cm (31.5") 2560 x 1440 pixels Wide Quad HD LCD Black

Model: UM.JX0EE.305

Manufacturer: ACER

EAN: 4711121888717

Product Code: 333204

R5,498

Welcome to the Curve

Curved displays take gaming to a new level of play with up to a 1500R2 bend. And, with the ZeroFrame design, less bezel area means more viewable screen for you to enjoy.

Superbly Synced

Adaptive-Sync technology3, and up to a 240Hz refresh rate1,2, eliminate screen tearing for a smooth, tear-free experience in games, during video playback and is NVIDIA® G-SYNC® and AMD FreeSync™ compatible3.

Range of Resolutions

Choose the resolution that fits your style of play. Whether you prefer the high-refresh FHD or the crisp image quality of WQHD – there’s a perfect option available.

More Play, Less Blur

The monitor’s response time is able to be pushed up to 1ms Visual Response Boost (VRB) for less noticeable blur (ghosting) during fast-paced gameplay – making images as sharp as possible.

Black Boost

Choose from 11 Black Boost options to optimize the lighting and shadows exactly for the type game you’re playing. Go with deeper levels for all-out immersion or lighten the hidden areas where opponents may lay in wait.

View in Comfort

Tilt, swivel and adjust the height to find that ideal viewing position. For VESA mounting, a quick-release design makes setting up the stand-free approach swift and easy.

Adjustments On The Fly

No need to fiddle with buttons. Easily modify your monitor settings via the Display Widget utility software.

Acer VisionCare Technology

Protect your eyes from unnecessary strain by utilizing Acer BlueLightShield™ and Flicker-less technologies. Settle in for long gaming sessions with reduced monitor glare and eye fatigue thanks to Acer ComfyView™.
