

SMARTWATCH INSTINCT 2 SOLAR/GRAPHITE 010-02627-00 GARMIN

Model: 010-02627-00

Manufacturer: GARMIN

EAN: 753759278861

Product Code: 333241

R5,318

This rugged, solar charging GPS smartwatch is tough enough to keep up with you and unique enough to fit your style. Now it comes in two sizes to fit every wrist.

ENGINEERED FOR ENDURANCE

This rugged watch is water-rated to 100 metres and is thermal and shock resistant. Plus, with a fibre-reinforced polymer case and chemically strengthened, scratch-resistant Corning® Gorilla® Glass, this device is built to endure.

DESIGNED TO DO YOU

Bold colours, high-contrast displays and size options let you show the world that you do things your own way.

GET MORE BATTERY OUT OF LIFE

Go longer than ever with solar charging with unlimited battery life in smartwatch mode¹. Plus, power manager lets you extend battery life by controlling what settings and sensors draw power.

MULTI-GNSS SUPPORT

Whether you're hiking, mountain biking, trail running or skiing, you'll have access to multiple global navigation satellite systems (GPS, GLONASS and Galileo) to track in more challenging environments than GPS alone.

ABC SENSORS

Navigate your next trail with ABC sensors, including an altimeter for elevation data, barometer to monitor weather and 3-axis electronic compass.

TRACBACK® ROUTING

Take the guesswork out of your return journey by using this feature to navigate the same route back to your starting point.

SMART NOTIFICATIONS

Receive emails, texts and alerts right on your watch when paired with your compatible smartphone.

CONNECT IQ™ STORE

Download custom watch faces, add data fields, and get apps and widgets from the Connect IQ Store app on your compatible smartphone.

GARMIN PAY™ CONTACTLESS PAYMENTS

Breeze through checkout lines and select transit systems with Garmin Pay contactless payments through participating providers.

SAFETY AND TRACKING FEATURES

When your watch and phone are paired, your live location can be sent to your contacts manually or — during select outdoor activities — automatically with built-in Incident Detection.

CALENDAR VIEW

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.

shop.cssi.co.za | sales@cssi.co.za | +27 (11)541-9950

Easily see your plans for the day with a dedicated calendar screen when paired with your compatible smartphone.

SYNC WITH THE GARMIN CONNECT™ APP

See your health and fitness information all in one place. The Garmin Connect app on your compatible smartphone is a thriving online community where people on the go can connect, compete and share.

BUILT-IN SPORTS APPS

Do whatever you love with preloaded activity profiles for running, cycling, swimming, strength training, indoor climbing, virtual running, golf, yoga, Pilates and more.

HIIT WORKOUTS

This activity profile tracks your HIIT workouts, including AMRAP, EMOM, Tabata and custom. Set the number of rounds, work/rest intervals and more.

VO2 MAX

Train smarter with VO2 max, an indicator of how you can expect to perform. It even accounts for changes in performance that could be caused by heat or altitude.

DAILY WORKOUT SUGGESTIONS

For training guidance that takes you and your fitness level into account, get daily recommendations based on your current training load and training status.

RECOVERY TIME

After each workout, recovery time lets you know when you'll be ready for another hard workout. It even accounts for training intensity and factors such as stress, daily activity and sleep.

MTB DYNAMICS

Track the details of every ride with mountain biking metrics plus specialised grit™ and flow measurements that rate trail difficulty and how smoothly you descend, giving you a score to beat next time.

WRIST-BASED HEART RATE

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.

shop.cssi.co.za | sales@cssi.co.za | +27 (11)541-9950

Get estimated heart rate⁴ data along with alerts if your heart rate stays too high or too low while you're at rest. Gauge how hard your heart is working during activities.

STRESS TRACKING

Heart rate variability is used to calculate your stress level score, so you can see if you're having a calm, balanced or stressful day.

SLEEP SCORE AND ADVANCED SLEEP MONITORING

Get a full breakdown of your light, deep and REM sleep stages. View it all on a dedicated widget that includes your sleep score and insights.

BODY BATTERY™ ENERGY MONITORING

Optimise your body's energy reserves, using heart rate variability, stress, sleep and other data to gauge when you're ready to be active or when you may need to rest.

PULSE OX

For altitude acclimation or sleep monitoring, a Pulse Ox sensor⁵ uses light beams at your wrist to estimate how well your body is absorbing oxygen.

FITNESS AGE

This feature uses chronological age, your weekly vigorous activity, resting heart rate and BMI to estimate if your body is younger or older than you are. Get tips to lower your fitness age.

INTENSITY MINUTES

Track how many minutes of vigorous activity you're getting, when you earn them and during which activity. You can even view them as a data field during timed activities.

WOMEN'S HEALTH TRACKING

Use the Garmin Connect app to track your menstrual cycle or pregnancy. Log symptoms, get exercise and nutrition education, and more.

- This watch is tough, which means no holding back.
- Train your way with built-in sports apps at the wrist.
