which offer optimized screen performance for different home entertainment applications, such as watching movies, editing, or playing video games. In addition, a DisplayPort and two HDMI inputs offer flexible connectivity for both general use and entertainment.

Ultimate Immersive Gaming Experience

With a 1500R screen curvature, the VX2718-PC-MHD provides a truly immersive viewing experience that lets you enjoy big, bold and stunning panoramic views.

Seamless In-Game Actions

With a swift 165Hz refresh rate, this monitor delivers great visual fluidity and flawless graphics no matter how quickly the in-game action unfolds.

Rapid Response Time for Clear and Broadcast-Quality Videos

With a stunningly quick 1ms (MPRT), this monitor delivers smooth images without streaking, blurring, or ghosting. This blazing-fast response time is perfect for the most graphic-intense gaming and provides amazing visual quality while watching sports or action movies. Experience digital broadcast quality and full-motion videos with razor-sharp images that never blur.

Prevent Screen Tearing

With AMD FreeSync™ technology, the monitor is able to adapt so that there is less fluctuation and jumpiness in the image.

Brace for true darkness

See and move fluidly in the shadows with ViewSonic's Black Stabilization feature. When enabled, the darkest scenes are lit up for enhanced visibility so you can spot the finer details and stay ahead of the pack.

Optimal Viewing Conditions

ViewSonic's exclusive ViewMode offers specialized presets to fit different usage scenarios including Game, Movie, Web, Text, Mac, and Mono modes. These presets enhance gamma curve, color temperature, contrast, and brightness to deliver the optimal viewing characteristics for each application.

Stereo Sound

Designed with dual integrated speakers, the VX2718-PC-MHD accents its incredible screen performance with stereo sound for a complete multimedia experience.

Connection Flexibility

Dual HDMI and DisplayPort inputs offer a wide range of compatibility, giving you the ultimate flexibility when connecting devices.

Comfortable Viewing

Flicker-Free technology and a Blue Light Filter help to eliminate eye strain from extended viewing periods.

Low Energy Consumption

The VX2718-PC-MHD has been designed with energy efficiency in mind, featuring an Eco Mode that consumes less power, resulting in a smaller carbon footprint and reduced office overhead costs.
