

NAS STORAGE TOWER 2BAY/NO HDD USB3 DS223J SYNOLOGY

Model: DS223J

Manufacturer: SYNOLOGY

EAN: 4711174724765

Product Code: 333311

R4,759

Built for sharing

DS223j is designed for small teams to share, sync, and collaborate more efficiently.

Multi-platform file access

Manage your files and media from anywhere with Synology Drive. Available on PC, Mac, Linux, Chromebook, Android, iOS, or any device equipped with a browser.

Real-time collaboration

Stay productive while working in a team or with your clients. Work together across different platforms using Synology Office.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.

Sync across sites

Keeping data synced between different sites has never been easier. Synology Drive ShareSync keeps files and folders synchronized across Synology systems.

Seamless synchronization to clouds

Sync files between your private cloud and public cloud storage platforms, including Google Drive, Dropbox, Microsoft OneDrive, and more with Synology Cloud Sync. Retain local copies of your cloud data to centralize management and achieve data ownership.

Your data in safe hands with Btrfs

The advanced Btrfs file system helps safeguard data against corruption through file self-healing and allows for the reversal of unintentional or malicious changes through fast snapshot technology.

Store, share, and protect

Configure your DS223j to manage all your documents, photos, and other files, or protect your physical assets with professional video surveillance.

Manage your photo collection

Organize your photos and videos with smart and intuitive features. Browse automatically generated albums using facial recognition, geolocation, tags, and more.

Sharing made safer and easier

Securely share media with colleagues or clients while leveraging privacy-focused options for your peace of mind. Collaborate with selected users on a folder-based media library by creating a Shared Space.

Automated media backup

Automatically upload photos and videos taken on your mobile device to your private cloud with Synology Photos or Synology Drive.

Protection against cyberattacks

Leverage Synology Drive to protect data from ransomware attacks or accidental deletion with real-time or scheduled backup of your PC folders.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.

Wide compatibility

Choose from over 8,300 IP cameras or ONVIF devices compatible with Synology Surveillance Station to keep your premises secure.

Universal access

Watch live camera streams through web browsers, desktop clients, or mobile apps. Get notified of events and take immediate action.

Purchase a NAS together with Synology HAT series drives and benefit from the Synology Express Replacement Program, ensuring same-day drive replacement when needed.

Contact your Sales Manager for more details.

Summary: Synology DiskStation DS223j. Type: NAS. Chassis type: Desktop. Device class: Home & Home Office. Processor family: Realtek, Processor model: RTD1619B, Processor frequency: 1.7 GHz. Internal memory: 1 GB, Internal memory type: DDR4. Total installed storage capacity: 0 TB. Operating system installed: DiskStation Manager | Vendor Homepage: <https://www.synology.com/en-global/products/DS223j> | Hot-swap drive bays: No | Installed storage drive type: No | Number of storage drives supported: 2 | RAID levels: 0/1/JBOD | RAID support: Yes | Storage drive capacity: 0 | Storage drive interface: Serial ATA | Storage drive size: 2.5/3.5 | Storage drive sizes supported: 2.5/3.5 | Storage drives installed: No | Supported file systems: BTRFS/exFAT/ext3/ext4/FAT32/HFS+/NTFS | Supported storage drive types: HDD & SSD | Total installed storage capacity: 0 | Number of processors supported: 1 | Processor cores: 4 | Processor family: Realtek | Processor frequency: 1.7 | Processor manufacturer: Realtek | Processor model: RTD1619B | ECC: No | Internal memory: 1 | Internal memory type: DDR4 | Ethernet LAN: Yes | Ethernet LAN data rates: 1000 | Supported network protocols: SMB, AFP, NFS, FTP, WebDAV, CalDAV, iSCSI, Telnet, SSH, SNMP, and VPN (PPTP, OpenVPN) | Wake-on-LAN ready: Yes | Ethernet LAN (RJ-45) ports: 1 | USB 3.2 Gen 1 (3.1 Gen 1) Type-A ports quantity: 2 | USB port: Yes | Built-in display: No | Built-in speaker(s): No | Cable lock slot: Yes | Cable lock slot type: Kensington | Chassis type: Desktop | Cooling type: Active | Fan diameter: 92 | Number of fans: 1 | Product colour: White | Access Control List (ACL): Yes | Backup function: Yes | Browser supported: Google Chrome, Firefox, Microsoft Edge, Safari | Card reader integrated: No | Device class: Home & Home Office | Multilingual support: Yes | Noise level: 18.2 | Number of users: 1024 | On/off switch: Yes | Reset button: Yes | Snapshot: Yes | Type: NAS | Web-based management: Yes | Operating system installed: DiskStation Manager | AC input frequency: 50/60 | AC input voltage: 100 - 240 | Power supply location: External | Depth:
