Usability

- LG Switch app
- Built-in power and speakers
- USB Type-C™ (PD 65W)

Comfort & Trust

- Ergonomic stand
- Reader Mode & Flicker Safe
- EPEAT & Energy Star

Versatile business monitors for various workspace

This versatile monitor can cover various works at many places, such as offices, public institutions, and customer service, with a clear IPS display and 3-side virtually borderless design.

Integrated power module

Fully use your desk

By providing built-in power, workstations can be designed with a streamlined and clutter-less layout. This allows for better space utilization and organization, creating a cleaner and more efficient work environment.

USB Type-C™

Productivity hub

with easy connectivity

USB Type-C™ port allows from display and data transferring to connected device charging (up to 65W), enabling support for your laptop all at the same time over a single cable.

Multi ports

A variety of interface

The 24BA650 offers a variety of ports, solving the problem of limited connectivity for hardworking individuals. With its multiple ports, you can easily connect numerous devices for efficient desk setup. Say goodbye to the frustration of running out of ports.

Built-in speakers

All set for virtual meetings

The 24BA650 comes with built-in speakers, eliminating the need for extra speaker installations when

participating in web conferences or watching videos.

100Hz refresh rate

Smooth workflow

A fast 100Hz refresh rate provides a smooth loading in various programs. It helps to allow less screen stuttering and motion blur, elevating work productivity.

LG Switch app

Switch swiftly

LG Switch app helps to optimize the monitor for an efficient work environment. You can divide the display into six areas, manage the schedules, or launch a video call platform with a mapped hotkey effortlessly.

Ergonomic design

Easy and comfy

The 24BA650 supports tilt, swivel, pivot, and height adjustment options to make a comfortable workstation for those who spend extended hours in front of monitors. Also, our ergonomic stand facilitates communication with customers or colleagues by allowing for a downward height adjustment.

Visual comfort

- **Reader Mode**

Reader Mode adjusts color temperature and luminance that helps to lessen eye fatigue and provide eye comfort while reading documents on a monitor.

- **Flicker Safe**

Flicker Safe reduces invisible flickering on the screen, which helps reduce eye strain.

- **CLI (Command Line Interface)**

Advanced management for monitors

LG business monitors offer CLI (Command Line Interface), a software for efficient device management. IT managers can update firmware and adjust settings like video mode, brightness, and response time in batches via the server program.

Better life for all

24BA650 complies with multiple standards such as Energy Star and EPEAT.
