

## HEADSET ZONE WIRELESS/981- 000854 LOGITECH

Model: 981-000854

Manufacturer: LOGITECH

EAN: 5099206088580

Product Code: 333444

## R4,424

- Crystal-Clear Video Calls - Tune out unwanted noise from open workspaces for better, more focused desktop video meetings. Zone Wireless headsets have a noise-canceling mic that isolates voice from distracting sound clutter for clearer conversations. With an adjustable sidetone control that lets users modulate voice volume to just the right level, a flip-to-mute mic, Qi wireless charging and a 14-hour battery, this headset is ideal for the open office.
- Business-Class Optics - C925e delivers sharp video clarity with autofocus and 1080p HD resolution at 30 frames per second. RightLight™ 2 technology intelligently improves visual quality in backlit and low-light environments to help employees always look their best on screen. The 78° field of view is preset just right for meeting from a personal workspace and the privacy shutter enables confident video mute whenever needed. Plus, set-up is a snap with plug-and-play integration.

- Simple Call Controls - With simple controls to manage video calls, Zone Wireless provides an intuitive interface to adjust volume, play/pause music, and start/end calls. The mic boom features a flip-to-mute function and on-ear button controls provide easy access to power, active noise cancellation, and wireless Bluetooth pairing. C925e has an adjustable clip for easy attachment to a laptop or desktop monitor, plus a convenient sliding shade to ensure privacy.
- Certified for Business - Business certifications ensure compatibility and seamless integration in the workplace. Zone Wireless headset and C925e webcam are certified for Microsoft® Skype for Business, work with Google Voice and Hangouts Meet, ready for Teams, compatible with Zoom, and work with other popular calling applications such as Cisco Jabber™, BlueJeans, and GoToMeeting.
