

HyperX Cloud MIX Buds Wireless Headphones (Black)

Model: 4P5D9AA

Manufacturer: HYPERX

EAN: 196188046265

Product Code: 333460

R4,386

Lightweight earbuds built for gaming.

HyperX Cloud MIX Buds are true wireless earbuds designed for gaming and feature a low-latency 2.4GHz connection. Light and comfortable, the dual wireless Cloud MIX Buds have a USB Type-C wireless adapter for ultra-low latency gaming, and a convenient Bluetooth®[1] connection for listening to music or answering phone calls when you're on the go. The included USB-C to USB-C passthrough extender lets you bring the adapter closer to you for improved wireless performance during desktop PC gaming. When connected to PC, players can take advantage of DTS Headphone:X®[2], which ups immersion by providing virtual 3D spatial audio with precise sound localization. Three included ear tip sizes ensure that you'll have a secure, personalized fit with signature HyperX comfort. With up to 33 hours of battery life on a single charge[3], you'll have plenty of juice to keep the good times going.
