guide their experience from your own device using the Family Link app's parental controls to manage available content, set screen time limits, etc.

*Google Kids Space requires a Google Account for your child. Parental controls require the Family Link app on a supported Android, Chromebook, or iOS device. Books and video content not available in all regions. Video content subject to availability of YouTube Kids app. Books content requires the Google Play Books app. Availability of apps, books, and video content may change without notice. Google Assistant not available in Google Kids Space.

Screen time with less eye strain

Shop, play, and stream for hours without straining your eyes. The Tab M10 Gen 3 is TÜV Rheinland Low Blue Light-certified, emitting greatly reduced levels of harmful blue light so you can enjoy more time with your device.

Stay up to date

You'll always have the latest Android™ OS features with the Tab M10 Gen 3. It ships with Android™ 11 out-of-the-box, and you'll enjoy three years of security and other updates—and Android™ 12 starting in Fall 2022.

Greater power. Longer hours.

Multitask for hours and power through your favorite apps and games on the Tab M10 Gen 3. You get a speedy octa-core processor, up to 4GB RAM, and an ample battery with juice enough for a whole day of streaming.

Stand out in a crowd

The Tab M10 Gen 3 sports a clean, modern look that sets it—and you—apart. It's lightweight and portable, starting just 460g, and the sturdy aluminum chassis comes in attractive, dual-tone Storm Grey.

Comes with the most helpful Google apps
