High-Definition Movie Nights? Any Night

Whether you're a die-hard movie enthusiast or someone who loves indulging in back-to-back episodes, you can always catch up on the latest series on Netflix, Youtube, HBO, or Amazon Prime Video in glorious 1080P resolution with Tab 90 authorized with Widevine L1 certification.

Smart-K Dual Box Speakers

Sound That Puts You Right There

Let the sound speak for itself with crisp treble and booming bass. The dual-box speakers of Blackview Tab 90 are fine-tuned to extract as much detail as possible, making you feel like you're right in the movie theater, concert halls, and game arenas.

PC Mode with Touchscreen Capability

Touchscreen Fun, PC Productivity

With just one click, PC Mode instantly transforms your Tab 90 into a PC-like interface. When used in conjunction with a wireless keyboard and mouse, your efficiency will be significantly improved, from swiping through websites to typing documents.

Multi-window & Split-Screen View

Split Your Screen, Double Your Productivity

Instead of jumping between apps, you can get more done in one screen to search while editing, conference while researching, or multitask in any other way that suits your needs.

Pre-installed WPS Suite

Your All-in-one Office Suite

Productivity is always at your fingertips with the bundled WPS Office suite. Tab 90 makes sure you can effortlessly create, edit, and collaborate on Word, Spreadsheets, PowerPoint, and PDFs in one place.

Eye Comfort Modes

Day or Night, Easy on Your Eyes

Be it reading comic books on a cozy couch or watching videos while curled up in bed, the display of Tab 90 provides effective protection for your eyesight by precisely adapting to any lighting environment according to your needs.

8200mAh Battery with 10W Fast Charge

Power More, Charge Less

The 8200mAh battery within the Tab 90 can power up to 37 hours of calling. Power anxiety is a thing of the past, whether you're working on vital assignments during a business trip or enjoying extended journeys with your beloved TV shows.

8 MP Front

Capture, Connect, Collaborate, Do it All.

Blackview Tab 90, with its 8 MP front camera, can be your perfect ally for snapping beautiful selfies, enjoying crisp video chats with friends, and seamlessly joining productive online meetings with colleagues.

Face Unlock

Unlock your Tab 90 effortlessly with just a glance—no more fumbling for passwords.

13MP Rear Camera

Frame Every Moment in Stunning Detail

It's a breeze to take high-quality pictures with Tab 90’s 13MP rear camera, be it grabbing class notes or snapping joyful group photos with your buddies. Additionally, it truly shines by delivering crystal-clear videos with all the details perfectly preserved.

Google Lens

Explore the World with Ease

Google Lens on Tab 90 allows you to scan anything of interest in your surroundings—translating words, taking snapshots of assignments for assistance, pointing at buildings for detailed information, and more.

1080P Video Taking

Every Motion Retained Clear

Record every cherished moment in your life in 1080P Full HD. Whether it’s a special milestone, a precious family gathering, or an unforgettable adventure, Tab 90 relives every moment with breathtaking clarity.

Octa-core UNISOC T606

Next-Gen Power to Handle All Tasks

It's time to unlock a whole new level of performance in your hands with Tab 90’s octa-core UNISOC T606 CPU. Be it handling multiple apps, streaming demanding content, or diving into CPU-intensive games, it effortlessly maintains its pace, all while preserving power for extended usage.

Up to 24GB RAM= 8GB RAM +Up to 16GB RAM Expansion

Lag-Free Multitasking All the Time

Say goodbye to sluggish performance while you're immersed in video streaming, gaming marathons, or web browsing, all thanks to the 24GB of RAM on the Tab 90. Now you can effortlessly handle multiple tasks without a hitch.

128GB ROM + Up to 1TB TF Support

All can Be Stored in Your Fingertips

The 128GB of internal storage on Tab 90 is large enough to store all of your valuable videos, photos, games, and apps. Also, it can be expanded by up to 1TB using a TF card, enabling you to keep more and delete less.

WiFi 5

Stay Connected, Stay Ahead

Tab 90 with built-in WiFi 5 ensures more stable connectivity with wider coverage and better signal penetration. Enjoy the top speed of file downloading and uploading, game playing, movie streaming, and fluid conference.

Upgrades In Convenience

Screen Attention

Sick of your screen going off during online meetings or presentations? Simply tap to enable Screen Attention, and your screen stays on as long as you're looking at it!

Real-time Subtitle

Never miss a word with our real-time subtitle feature. Transform spoken language into written text on the fly, ensuring every conversation is accessible and inclusive.

Upgrades in Fluency

Smart Pre-Loading

Intelligently preloading resources depending on users' most frequently used programs upon startup to achieve speedier application launch times.

F2FS

F2FS boosts Blackview Tab 90 for speed and durability, making it 25% quicker to launch apps.

Upgrades in Privacy

All-new Efficient Copy-Paste Way

Copy-Paste Magic in Your Hands

Tab 90 makes it easy to copy texts, images, or videos. Simply press and hold on the content you wish to copy, then switch to another app using your other hand and paste it where you need it.

Set Privacy Boundaries

Any app can only access the information required to perform its functions. If there is additional access beyond the necessities, separate authorization is required from users.

Upgrades in Personalization

Upgraded Font Scaling

Clarity in Every Character

With its upgraded font scaling, Tab 90 steers clear of issues like mechanically enlarged text, clipping, or legibility challenges, ensuring all text is crisp and readable.

Upgraded Magnification

Effortless Pinch-to-zoom

Pinch to zoom in and out on Tab 90's upgraded magnification for a more intuitive and convenient way to view small text and detailed visuals.

Other Highlights

Protective Case and Reinforced Tempered Membrane

Guard your Tab 90 WiFi from unexpected drops, bumps, and scratches.
