Transfer in a blink of an eye

The ESD270C is equipped with the USB 3.1 Gen 2 interface with the support of UASP (USB Attached SCSI Protocol), providing transfer speeds of up to 520MB/s.

Compact and lightweight

Pack light! The credit-card size ESD270C, with mere 9.6mm in height, fits perfectly in your wallet or purse, and takes up little space in your briefcase. The anti-scratch coating means the external SSD will look sharp even after all the miles. With a reflective black case, you'll be both savvy and stylish.

Expand storage in a flash

The ESD270C provides up to 2TB of storage capacity, ensuring you have plenty of space for backups, as well as storing your high-resolution images, 4K videos, and other media files!

Great compatibility

The ESD270C can be used with multiple devices and operating systems, including Windows, macOS, and Android. It provides ultra-fast transfer speeds and extra-large capacity expansion for PCs, laptops, tablets, smartphones, and even gaming consoles. The great compatibility makes it a convenient and efficient option for those looking to expand their storage space.

Type-A and Type-C cables included

The ESD270C comes with both a USB Type-C cable and a USB Type-C to Type-A cable to accommodate desktops and laptops featuring the USB Type-C or USB 3.1 interface.

Powerful 256-bit AES encryption

Transcend's ESD270C supports 256-bit AES encryption to securely and reliably protect data at the hardware level. AES (Advanced Encryption Standard) is a cryptographic algorithm defined by the National Institute of Standards and Technology (NIST). Encryption and decryption are processed strictly within the SSD controller and completely independent of any OS or program, making hardware-based AES impossible to decipher.

One touch to back up all files

The ESD270C is equipped with a convenient auto-backup button for instant data backup when used with Transcend Elite software.

Extreme protection, advanced security

Transcend's storage devices provide exclusive disk lock and security functions, which work on both Windows and Android systems. With Transcend Elite software, you can protect your entire drive and the files inside with passwords, meeting the high standard of information security.

Manage data with Transcend Elite

Transcend Elite is an advanced software package compatible with macOS, Windows OS, and Android system that helps you manage data. Available as both a desktop and mobile app, it can be downloaded for free from Transcend's official website and from Google Play. Transcend Elite features backup and restore, data encryption, cloud backup, and disk locking functions.

Summary: Transcend ESD270C. SSD capacity: 2 TB. USB connector: USB Type-C, USB version: 3.2

Gen 2 (3.1 Gen 2). Read speed: 520 MB/s, Write speed: 460 MB/s. Data transfer rate: 10 Gbit/s.
