protection.

#### Hassle-free connectivity

Connect to more USB-C or USB-A devices, including your Windows PC, Mac, Chromebook, gaming consoles, mobile phones, and tablets, without the inconvenience of switching cables.

#### Friendly to your devices

Ready to use out of the box, the My Passport portable hard drive is compatible with your Windows PC, Mac, gaming consoles, and mobile devices, without needing to reformat your drive or buy additional software.

#### Incredible capacity for your content

Up to 5TB<sup>1</sup> of space to keep your important files, creative projects, school assignments, family photos and videos, and favorite games in one place.

#### Help safeguard what matters most

Use our included software<sup>2</sup> to back up your precious files with ease and add an extra layer of password protection with built-in 256-bit AES encryption.

#### A worry-free warranty<sup>3</sup>

We build our drives using tried and true components and provide a 3-year limited warranty<sup>3</sup> for extra peace of mind.

#### Designed with the planet in mind

The enclosure of this drive is composed of more than 50% post-consumer recycled plastic, and the packaging carton is fully recyclable.

- Seamless compatibility across USB-C and USB-A port devices including Windows PC, Mac, Chromebook, gaming consoles, mobile phones, and tablets
- Help secure your important files with password protection and 256-bit AES hardware encryption
- Back up smarter with included device management software<sup>2</sup>
