Forged for the Fearless.

Able to withstand the bumps and scrapes that come with living an active life in the city, this watch thrives where the action is.

100+ Watch Faces.

Choices that match your vibe, effortlessly.

Editable Watch Faces.

Highlight what matters most to you.

Portrait Watch Faces.

Upload your own images; the watch will alternate them with every glance.

Make a Splash.

Planning a beach getaway? The 10 ATM water-resistance grade means the watch can endure the equivalent of up to 100 meters' water pressure. Face down the waves with confidence, like it's your own private resort.

Blaze Your Own Trail.

The city is your playground. Explore it with ease, thanks to ultra-strong and accurate GPS tracking provided by five satellite positioning systems.

Lead the Pack.

Step up and take the lead when your friends are wandering the streets, looking for the right spot. Import route files from the Zepp App and navigate5 all your favorite paths with incredible precision.

Edge Ahead with the Power of AI.

Everyone wants to be number one. Edge ahead of the competition with personalized training plans and workout guidance, powered by cutting-edge AI.

130+ Sports Modes.

Hit the streets with your skateboard or BMX. Make the basketball court your own. Chill and chat with friends and a frisbee. Whatever kind of activity makes you want to get moving, the Amazfit Active Edge has your back.

Better than any gym buddy, the Amazfit Active Edge comes with an intelligent Strength Training mode⁶ that can:

Auto-detect 25 exercise types. Track your reps, sets and rest time. Sum up every exercise and muscle group hit during your session, in a post-workout log.

Connect to Workout Devices.

Connect the watch to a heart rate belt or cycling power meter, thanks to the immense Bluetooth connectivity of the Zepp OS 2.0.

Training Templates.

Customize your workout routine by creating training templates in the Zepp App⁸, and sync them to the watch.

Interval Training.

Streamline your training by creating interval training plans directly on the watch itself.

Auto-detection of 7 Sports.

Get in on the action, fast.
