For a life in constant motion, master your moments of stillness.

Dive into Readiness Insights, crafted from a Knowledge Base developed by a team of sleep health experts. Enjoy practical wisdom to recalibrate your day - especially when rest falls short.

Rest Easier, Sleep Faster

Free Trial!

Experience AI-powered rest and wellness support, and take your recovery to the next level.

Zepp Aura creates customized music that intelligently adjusts based on real-time biometric data picked up by your Amazfit Active. Immerse yourself in the sounds your body responds best to.

Along with sounds that help you fall asleep faster and improve your sleep quality, Zepp Aura provides detailed sleep reports and powerful insights - along with meditation and relaxation soundscapes.

Premium subscribers of Zepp Aura can also enjoy access to the Zepp Wellness Coach, which proactively prepares daily, weekly and monthly analysis of your sleep, and uses applied Large Language Models (LLM) to answer your questions.

Zepp Fitness Membership

Free Trial!

Step up your workout game with personalized fitness reports and a whole lot more.

Dive deep into your fitness journey with insightful weekly and monthly snapshots. Sharpen your focus, reach those milestones.

Our AI chatbot, powered by advanced Large Language Models, offers training tips, nutrition guidance, and more. Engage in flowing conversations, and get answers that resonate.

The Smarter Way to Stay Active

Sometimes, the hardest part of leading an active life is just finding the time.

Zepp Coach™ harnesses the power of AI to generate workout plans that are personalized to your

shop.cssi.co.za | sales@cssi.co.za | +27 (11)541-9950

schedule, needs and goals.

And to keep you on-track, Zepp Coach™ will let you know when to step up the intensity or when to take a rest.

Choose Action!

Living an active life is easy when you love your workouts.

Whatever kind of sport makes you want to get moving, the Amazfit Active will be right there with you.

More Efficient Training Means More Free Time.

When you're trying to make time for all the activities and people you love, time management is just as important in the gym as it is in the office.

Create training templates for a selection of nine sports in the Zepp App and sync them to the watch.

Create interval training templates directly on the watch.

More Satellite Signals.

Less Interference.

Greater Accuracy.

Thanks to its cutting-edge circularly-polarized GPS antenna, the Amazfit Active will track every twist and turn you take with exceptional accuracy.

An Active Life, Made Fun and Easy

Route Import & Navigation

Planning a trek through an unfamiliar path? Import a route file from the Zepp App, and navigate with incredible precision.

Share Your Activity

Sync data to online communities like adidas Running, Strava, komoot and Relive, along with smartphone apps like Apple Health and Google Fit, via the Zepp App.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.

shop.cssi.co.za | sales@cssi.co.za | +27 (11)541-9950

Music Storage & Control

Store music on the watch and listen to your workout playlist, phone-free. Alternatively, use the watch to control your phone's music.

Auto-detection of 7 Sports

The watch can intelligently recognize when you begin one of seven sports movements.

Live Sports Data Broadcast

Set the watch to read out your sports data in real-time via your Bluetooth headphones or the watch's speaker, and you won't even need to raise your wrist to check your performance.

Race Achievement Predictions

Training for a race? Check your Race Achievement Predictions in the Zepp App to see how you're likely to perform.

Raise Your Game with Specialized Data

Understand your activity, recovery and progress better than ever, with a post-workout summary of high-level data.

STAY ACTIVE, STAY HEALTHY

Stay informed with incredibly accurate health monitoring.

Stay alert with reminders for abnormal health data readings.

Stay in-control with simultaneous one-tap measuring of multiple health metrics.

Get a personalized activity score that's unique to you. Maintaining a weekly PAI score of 100 has been studied to reduce risks of health conditions like hypertension and more.

Get predictions and reminders for upcoming fertile and menstrual periods, so you can plan your active life without surprises.

MAXIMIZE YOUR ACTIVE LIFESTYLE

Craft your own ideal smartwatch experience, with a huge range of downloadable apps and fun

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. shop.cssi.co.za | sales@cssi.co.za | +27 (11)541-9950

games to choose from.

Stay In-touch

Via Bluetooth connection to your phone, the watch can answer incoming calls or dial outgoing calls, control your phone's camera and music, sync notifications, send preset quick replies, and more.

Amazon Alexa Built-in

Ask questions, get translations and a whole lot more. Make your day more manageable, with this intelligent online voice assistant.

Membership Cards

Rather than filling your bag or pockets with a bunch of cards, add membership and club card codes from your favorite stores to the watch via the Zepp App. Just show the code on the display when it's time to scan.

Connect to the Zepp App

Compatible with iOS and Android devices, the Zepp App conducts health and fitness data analysis, features watch face and app stores, provides system updates for your watch, and much more.
